- **Linear riverside walk**
- **0.5km/1 mile**
- **Allow ½ hour**
- **Hard surfaced paths soft in places**
- **Easy**
- **Boots**

**PARKING** From Dumfries follow the A76 Glasgow Road through Thornhill to Carronbridge. Turn right on to the A702 Edinburgh Road and after

1½ miles you will pass a road junction at a bridge. After a short distance park in the right hand layby by the information board.

**START** Follow the path to its terminus at the picnic table and return. Although this is a short linear walk it has plenty of interest and you may well be tempted to linger on one of the waterside benches and enjoy watching the wide range of wildlife. The route takes you alongside the Carron Linns passing through mixed woodland with some fine larch trees. It is hard to believe the West Coast mainline passes so close by.
